

GREEN THE BLOCK!!

*Join Raising Expectations Inc.,
The Hip Hop Caucus, Green for All, HarrietGirls, Inc.,
and the Potomac Art Therapists Association (PATA)
in celebrating the*

2009 INTERNATIONAL DAY OF ACTION TO STOP GLOBAL WARMING!

For 3 Saturdays in October, youth (ages 12-18) will learn from environmental educators and mosaic/sculpture artists about various ways to help keep DC communities clean and green. Collected recyclable materials will be used to design 8 large mosaic/sculpture figures for *each DC Ward*.

The mosaic figures will remind the community about the effects of global warming and ways to reduce waste by recycling, conserving energy, and reusing materials for beautification efforts.

PRIZES WILL BE AWARDED TO THE BEST DESIGNS!

Mark Your Calendar for October 24th when Youth teams will meet to finish their designs and showcase them to the community! Youth will also present their Community Action Plan (CAP) for how to stop global warming and reduce waste!

For more information or to join, contact Raising Expectations Inc. at (202) 507-7882 or e-mail info@RaisingExpectationsDC.org.

Only 10 positions available per Ward

**DON'T MISS OUT ON THIS GREAT OPPORTUNITY TO BE A YOUTH LEADER!
