Dear Parent and Future Arts Apprentice:

Raising Expectations Inc. believes that learning goes on both inside and outside the classroom. Our arts enrichment activities build artistic skills and self-esteem as youth create works that they can be proud of. But, youth want and need more involved and individualized arts training from our workshop artists and to meet that demand, Raising Expectations has created a new Summer Arts Apprenticeship Program for youth and young adults ages 10-18. **Complete the attached registration form to enroll in this amazing opportunity to develop your artistic crafts and possibly develop an artistic career interest!**

Raising Expectations Inc. is a consortium of artists who want to give back to the future leaders of tomorrow! Take advantage of this opportunity to learn from local artists over the summer. Create your own production and masterpiece; share your talents in other arenas. Once you provide information about your artistic interests, whether it is dance, music, visual art, graphic design, or photography, Raising Expectations Inc. will provide you with a biography of your Mentor for the summer along with a description of the mentor's apprenticeship goals and objectives.

Below is a *Parent Permission and Liability Waiver Form* to complete and return to Raising Expectations Inc. along with your Registration Form. Your work of art will be shared at R.E.'s Annual Holiday Celebration in December.

Don't wait to register! We have arts entrepreneurs waiting to be matched with serious student artists with new ideas about creative expression of art. Should you have any questions, please do not hesitate to contact me at 1-866-549-2725 or by e-mail at info@RaisingExpectationsDC.org.

Sincerely,

Abeo F. Anderson
