

Summer 2009 Youth Recycling Art Project: Mosaic Art & Decoupage Workshop Series

July 2 and 9, 2009 – The theme of the workshops focused on the beauty of recycling and reusing of products. On two Thursdays in July (July 2nd and 9th) at the Far Southeast Family Strengthening Collaborative in the downtown Anacostia neighborhood's Professional Building, Raising Expectations Inc. (R.E.) hosted a *Mosaic Design & Decoupage Workshop Series* for our summer youth arts education program.

Presented by Jokeeta Joyner, Founder/CEO of HarrietGirls, Inc., the hands-on workshop provided youth with skills in how to make creative art of their own using decoupage plates, recycled bottles, and plates/mirrors for mosaic art.
